Pro-Bono Services for Non-Profit Organizations

REQUEST FOR PROPOSALS

Moementum, Inc. is inviting proposals from prospective non-profit organizations to receive pro-bono time and services from our firm.

Submission Deadline: Ongoing

Background

Moementum, Inc. has a commitment to donating time and effort to non-profit organizations in the form of pro-bono time and services. We have a history of doing this in our home community of Central Oregon- in 2014 alone, we donated over 120 hours to local non-profits (a value of over \$42,000). In the past, we have not had a formalized process for selecting the recipients of our pro-bono work, but in 2015 we are bringing and new rigor to this process in order to ensure that we are contributing in ways that align with our mission, vision, and create the largest positive impact possible. Our mission is to create great leaders and resilient organizations in order to help solve the world's big problems, and our vision is to create a world that works for everyone.
